General Terms and Conditions

1. As used herein, (a)"Seller" means the legal entity that is listed on the first page of the Sales Quotation/Contract, (b)"Purchaser" means the person whose offer is accepted in writing by Seller.
2. All sales by Seller to Purchaser are subject to the approval of Seller's authorized representative and credit department. All quotations are made in accordance with Seller's interpretation of Purchaser's plans and specifications. Quotations are subject to correction for errors. Deviations from quantities may modify quoted prices. Quotations are void unless accepted in writing by Purchaser with 30 days from the date of the quote.
3. Loading and Deliveries- Loading Hours are 7:00am to 4:00pm Monday through Friday. Hours are subject to change and accommodations with approval of Seller may be made for loading and hauling at times other than normal business hours.
4. Delivery- Purchaser has the option to determine the means of transportation to destination. Purchaser shall give seller adequate delivery instructions at least 48 hours prior to requested delivery. Customer agrees to provide safe and suitable site conditions and or approaches to points of delivery. If Purchaser requests delivery beyond the curb line, Purchaser shall hold Seller harmless against all claims and liabilities for damage resulting from delivery.
5. Material prices include loading and weighing F.O.B our aggregate plants and are subject to all applicable taxes. Haul prices will be quoted on request and are based on a 24-ton minimum haul charge. The price of material is the same to Purchaser regardless of who arranges transportation. We reserve the right to impose additional haul charges for deliveries to sites other than those specified. Hourly haul rates may be imposed for wait time incurred by the trucking company due to the Purchaser not being ready for the load.
6. Cancellation by Purchaser of any order must be approved by Seller and are subject to incurred transportation, handling and stockpiling charges.
7. Delays- Seller shall not be responsible for delays in or prevention of its performance due to weather, fire, explosion, flood, acts of god, strikes labor disputes, riots, governmental regulations, disruptions of usual source of supply, transportation and causes beyond its control.
8. Concrete aggregates are warranted to meet the applicable ASTM specifications at the time of delivery to Purchaser. Seller makes no other warranty or representations, either expressed or implied on any other product.
9. No aggregates ordered and accepted may be returned for credit.
10. Accounts become delinquent if not paid within 30 days of invoice date. 1 ½% per month interest will be charged on all delinquent accounts.
11. Seller may recover from Purchaser, in addition to all amounts owed for material, services and interest, all of Seller's cost of collection including, but not limited to reasonable attorney's fees.
12. Any dispute, claim, or controversy of any kind, arising out of or related to the interpretation or enforcement of this Sales Quote/Contract or the agreement between Seller and Purchaser will be resolved through binding arbitration before a single arbitrator and conducted and administered under the Construction Industry Arbitration Rules of the American Arbitration Association, in Denver or Adams County, Colorado. In the event of a dispute, the prevailing party will be awarded, in addition to any other relief, reasonable attorneys' fees and costs. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Colorado.
13. Payments by Credit Card will be subject to a surcharge of 2%
